

AIR FORCE SCHOOL JAMMU
Session 2024-2025
SUMMER HOLIDAYS HOMEWORK

Dear Parents,

We wish you and your child a very happy summer holidays. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holidays Homework for the students on the principle of **'learning by doing'** for their holistic development. Helping your child with his/her homework doesn't mean doing it for her/him!

- Use Holiday Homework as an opportunity and let your child take the lead and use his/her imagination, creativity and knowledge to do the assigned task. The role of the parent is to be a facilitator and guide to steer the child in the right direction. He/ She will find his own destination. Original work of students will receive greater recognition and appreciation.

- **IMPROVE YOUR WRITING**

Write one page English and one page Hindi handwriting every alternate day. We would love to see your writing practice notebook after summer vacations. You may copy from any book or write a passage on your own.

- **DEVELOP READING HABIT**

Reading is a very good habit that one needs to develop in life. Once you start reading, you experience a whole new world. Reading develops language skills and vocabulary. Reading books is also a way to relax and reduce stress. So I would like to tell all the students that read English and Hindi story books, newspapers etc. You can also download E -books.
